

Essentials of Addiction Medicine

A Conference on the Treatment
of Substance Use Disorders

August 24-27, 2016

Anaheim Marriott Hotel
Anaheim, CA

Addiction
Medicine now
recognized by
ABMS

One of the nation's foremost gatherings of physicians and other professionals who specialize in the treatment of Substance Use Disorders and practicing physicians in both primary care and other specialty fields who are seeking an overview of the field of Addiction Medicine.

CONFERENCE HIGHLIGHTS

The View from Indiana: HIV Infection and Injection Drug Use | Joan Duwve, MD, MPH

Alcohol | Neurobiology of Addiction | George Koob, PhD

Is Addiction a Brain Disease? | A Dialogue with George Koob, PhD, Anna Lembke, MD, Kent Dunnington, PhD

Opioid Addiction and Treatment | Judith Martin, MD

Pain and Addiction | Corey Waller, MD, MS

Co-occurring Disorders | Steven Eickelberg, MD

Addiction in Adolescents | Sharon Levy, MD, MPH

Sedative Hypnotics | Steven Batki, MD

Workshops on | Integrating Addiction Treatment into Systems of Care | Legal Marijuana: Trends, Research, Youth Interventions, Treatment, and Policy | Keys to Physician Wellness | Managing the Pain Patient with Opioid Addiction | Motivational Interviewing for the Busy Clinician | Buprenorphine in Office-Based Treatment of Opioid Dependence

Essentials of Addiction Medicine

This conference is one of the nation's foremost annual gatherings of physicians and other healthcare professionals who specialize in the treatment of Substance Use Disorders and practicing physicians in both primary care and other specialty fields who are seeking an overview of the field of Addiction Medicine.

The American Board of Medical Specialties (ABMS) has recognized Addiction Medicine as a new subspecialty. The date for the Addiction Medicine Board Examination has not yet been announced. Physicians who plan to take the examination are encouraged to utilize this course as one step in their preparation.

Conference Planning Committee

Anna Lembke, MD, Conference Chair
Jean A. Marsters, MD, Vice Conference Chair
Sharone Ann Abramowitz, MD, FASAM
Anthony Albanese, MD, FASAM
Angie Chen, MD
Smita Das, MD, PhD, MPH
Py Louise Driscoll, MD
Christina Fritsch, MD
Dana Harris, MD
Paula Lum, MD, MPH
Chinyere Ogbonna, MD, MPH
Ingeborg Schafhalter-Zoppoth, MD
Tauheed Zaman, MD

Coordinator, Small Group Facilitators
William Brostoff, MD, FASAM

MERF Representatives
Steven Eickelberg, MD, FASAM, FAPA
Kenneth Saffier, MD

Welcome

The CSAM conference this year occurs at a time of both tragedy and triumph in the field of addiction medicine.

The prescription drug epidemic has resulted in more than 500,000 overdose deaths, and stems, in no small part, from collective ignorance on the part of the medical profession of how to prevent, detect, and intervene to treat substance use disorders. Cannabis use among young people is on the rise, while cannabis legalization is either being implemented or considered in many states. While we grapple with these major challenges, we also have cause for celebration. After decades of struggle, the American Board of Medical Specialties (ABMS) has at long-last embraced addiction as a bona fide medical specialty, promising increased visibility and prestige to the field, increased access to addiction treatment services, and a board certification that meets the "gold standard" of ABMS.

We have designed this year's conference, The Essentials of Addiction Medicine, to provide an in-depth overview of what really is *essential* in treating addicted patients: from basic epidemiology, pharmacology, and neurobiology, to the challenge of identifying dependent or at-risk patients across many different treatment settings, from the emergency room to the intensive care unit to private practice. Participants will come away with practical knowledge that can be applied to real-world experiences, as well as the knowledge needed to pass the ABMS addiction medicine board exam in the future. Presenters are nationally-recognized experts and clinicians with extensive experience. CSAM conferences feature moderated case discussion allowing participants to deepen and apply what they have learned.

The conference begins with a report from **Joan Duwve, MD, MPH**, Chief Medical Officer, Indiana Department of Public Health, who will give a front line report on how one state addressed the fallout from the opioid epidemic. **George Koob, PhD**, and **Kent Dunningham, PhD**, will engage in what is sure to be a lively discussion on whether addiction is a brain disease. **Dr. George Koob**, Director of the National Institute on Alcohol Abuse and Alcoholism, will also provide an overview of alcohol and neurobiology.

Pre-conference workshops will offer an in-depth look and interactive learning in topics such as treating pain patients, cannabis in the time of legalization, motivational interviewing for busy clinicians, physician wellness, and integrating addiction medicine into systems of care.

There will also be time to connect with colleagues: a networking lunch, a dessert reception featuring **Sam Quinones**, author of *Dreamland: The True Tale of America's Opiate Epidemic*, and an al fresco dinner in the beautiful Grand Plaza at the Anaheim Convention Center. We'll get you moving in the morning with Zumba and Yoga.

I'm sure you will find this conference stimulating, enriching, and fun. Whether it's your first or tenth CSAM conference, the planning team looks forward to welcoming and meeting with you!

— **Anna Lembke, MD**, Conference Chair

Who Should Attend?

- Practicing physicians in both primary care and other specialty fields seeking an introduction to the full spectrum of substance use disorders, their diagnosis and appropriate management.
- Physicians preparing for the Addiction Medicine Board Examination requiring an overview of the core elements of addiction medicine in a way that allows them to identify the areas where they may need more study.
- Physicians currently practicing in the field who want a refresher course based on the latest clinical research.
- Other health care professionals, including psychologists, therapists, nurses and drug abuse counselors, who are involved in the treatment of patients with substance use disorders.

Visit www.csam-asam.org to register today

Conference Information

Pre-Conference Workshops (Wednesday)

Workshops can be taken with the Essentials Conference or as stand alone workshops. Workshops run concurrently.

Essentials of Addiction Medicine (Thursday-Saturday)

The three-day Course (Thursday through Saturday) presents an overview of the core elements of addiction medicine, presented by top experts in the field. Participants sit at tables with a facilitator who will guide case discussions and answer questions.

Conference Materials

All registrants will receive access to an electronic version of the conference syllabus. There is a \$75 charge for a print copy of the syllabus.

A conference app will allow review of PowerPoint slides and speaker materials, taking notes during sessions, accessing the conference schedule, browsing the list of conference attendees and exhibitors, engaging in social media, and more!

After the conference, all full conference registrants will have free access to the speaker presentations (audio synced to slides, mp3 files, and handouts).

Prepare for the Addiction Medicine Board Exam

The Essentials of Addiction Medicine Course is excellent for those planning on taking the Addiction Medicine Board Exam, when it is offered. After the conference all participants will receive free access to video recordings of all lectures for review.

CSAM offers an Online Interactive Self-Assessment and Board Preparation (featuring more than 600 questions) 7 hours of online lectures covering test-taking strategies, high-yield exam content, and tips on how to prepare for the exam as well as a digital Study Guide. To purchase go to cme.csam-asam.org

Special Conference Activities and Features

- Thursday Evening Dessert Reception (included in registration fee)
- Friday Dinner (included in registration fee); guests \$50
- 12-Step/Mutual Help Meetings: These will be held every day during the conference at 7:00 am and 9:00 pm.
- Yoga/Zumba classes Thursday — Saturday mornings

Scholarships and Poster Submissions

The Medical Education & Research Foundation provides a limited number of scholarships to both physicians-in-training and teaching faculty. Scholars actively participate in mentored learning experiences throughout the conference.

The deadline to apply for a scholarship will be in June 2016. The application and more information is available at: <http://merfweb.org>

In addition, those who are involved in medical education or practice-based clinical research are invited to submit abstracts for posters to be displayed at the conference. These can be posters that have been presented at other conferences. For more information on submissions go to www.MERFweb.org or contact merfadmin@gmail.com.

Credit

In recognition of the high quality of its educational programs CSAM received a 6-year accreditation with commendation, the highest level of accreditation, awarded to only a small percentage of CME providers.

The California Society of Addiction Medicine (CSAM) is accredited by the Institute for Medical Quality/California Medical Association to provide continuing medical education for physicians. CSAM takes responsibility for the content, quality and scientific integrity of this CME activity.

CSAM designates this live educational activity for a maximum of 26 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

Essentials of Addiction Medicine: 19 Units (Thursday: 7.5; Friday: 7.25; Saturday: 4.25)

Pre-Conference Workshops: 7 units (3.5 for morning workshop; 3.5 for afternoon workshop; 7 for full-day workshop)

This course has been approved by the American Board of Addiction Medicine (ABAM). Physicians enrolled in the ABAM Maintenance of Certification (MOC) Program can apply a maximum of 26 AMA PRA Category 1 Credits.

AAFP Prescribed Credit is pending.

CEU Credit is available for psychologists, therapists, drug abuse counselors, nurses and physician assistants.

Educational Objectives

Upon completion of this course, participants should be able to:

- Recognize the effects of alcohol, tobacco, and other drugs in both tolerant and non-tolerant individuals;
- Understand the basic neurobiological, behavioral, and genetic mechanisms of addiction;
- Describe the main drugs of abuse, their pharmacology, and specifics associated with the diagnosis, detoxification, and treatment for each, and apply in clinical situations;
- Apply in treatment an understanding of the main features of related psychological disorders seen in patients suffering from substance abuse disorders.

Hotel/Travel

The conference hotel is the Anaheim Marriott located at 700 Convention Center Way, Anaheim, CA 92802. There are a limited number of rooms available at the special conference rate of \$149 for a single or double room through August 8, 2016. Please call 1-714-750-8000 or 1-877-622-3056 for a reservation and make sure that you mention the CSAM Conference to get the special rate. **If you wait until near the August 8 deadline there is no guarantee that rooms will still be available.**

The nearest airport to the hotel is Orange County/John Wayne. Anaheim is also accessible from Los Angeles and Long Beach airports. Downtown Disneyland District, Disneyland, and Disney California Adventure Park are located just three blocks from the hotel.

Visit www.csam-asam.org to register today

Pre-Conference Workshops

Wednesday, August 24 (additional fee)

Workshops can be taken together with the Essentials Course or alone.

Full Day Workshop (8:30 am to 5:00 pm)

Keys to Physician Wellness: From Burnout to Professional Satisfaction — Personal and Organizational Stories and Solutions

This workshop is designed for physicians, medical leadership, medical staff administrators and others interested in improving physician wellbeing on an individual and organizational level. Local and national experts will present the latest research on physician mental health, burnout and disruptive behavior. This workshop will provide useful and implementable tools, techniques and solutions for physicians, and address the necessary system-wide solution to the challenges of creating a supportive working environment that fosters collegiality and professionalism. Jointly provided by California Public Protection and Physician Health (CPPPH) and the CSAM Committee on Physician Well-Being. (Workshop Planners: Karen Miotto, MD; Py Driscoll, MD; Gail Jara)

Matthew Goldenberg, DO, Associate Medical Director, Promises Professionals Treatment Program, Santa Monica (as of July 2016) | **Karen Miotto, MD**, Director of UCLA Addiction Medicine Service; Associate Professor, David Geffen School of Medicine, UCLA | **Christine Moutier**, Chief Medical Officer, American Foundation for Suicide Prevention, New York | **David Pating, MD**, Chief of Addiction Medicine, Kaiser Permanente San Francisco Medical Center | **James Pichert, PhD**, Professor of Medical Education and Co-Founder of the Center for Patient and Professional Advocacy, Vanderbilt University Medical Center | **Jo Shapiro, MD**, Associate Professor of Otolaryngology, Harvard Medical School; Director, Center for Professionalism & Peer Support, Brigham and Women's Hospital, Boston | **Rebecca Wilkinson, MSPH**, Director, Medical Staff Health Program, UCLA

Morning Workshops (8:30 am to 12:00 noon)

Legal Marijuana: International Trends, Research, Youth Interventions, Treatment, and Rational Policy Implementation

Legalization of medical and recreational marijuana marks a shift to a public health approach to treatment and a regulate-and-tax approach to control.

What is the evidence that will help guide us in counseling our patients and shaping rational policy? Important new research is emerging. This workshop will summarize the failures of marijuana criminalization, the role of medical marijuana as a Trojan Horse for legalization, new cannabinoid pharmaceuticals, unique vulnerabilities of young users, and will explore recommendations for rational implementation of marijuana legalization. (Workshop Planners: Dana Harris, MD; Peter Banys, MD, Chinyere Ogbonna, MD; Jason Schiffman, MD, MBA)

Peter Banys, MD, Clinical Professor of Psychiatry at UCSF; member, California Blue Ribbon Commission on Marijuana Law Reform | **Itai Danovitch, MD, MBA**, Chair, Department of Psychiatry and Director of Addiction Psychiatry, Cedars-Sinai Medical Center; | **Beau Kilmer, PhD**, Co-Director RAND Drug Policy Research Center, Senior Policy Researcher, RAND | **Garth Terry, MD, PhD**, Senior Fellow, Department of Psychiatry and Behavioral Sciences, University of Washington; Advanced Fellow, Mental Illness Research, Education, and Clinical Center (MIRECC), VA Puget Sound

Battling Bias and Silos: Integrating Addiction Treatment into Primary Care and Other Systems of Care

This workshop will feature panelist experts in unconscious bias, emergency medicine, primary care, residency education, and prison health. At the conclusion of the workshop, participants will have developed practical, skill-based strategies to detect and address unconscious bias and to integrate evidence-based addiction medicine in a broad variety of health care settings, specifically including primary care, tertiary care, residency education, corrections, and beyond! This workshop is intended for primary care physicians and non-physician clinicians, addiction specialists, and other attendees (Workshop Planners: Brian Hurley, MD, MBA; Ingeborg Schaffhalter-Zoppoth, MD)

R. Corey Waller, MD, MS, FACEP, Medical Director of the Spectrum Health Medical Group Center for Integrative Medicine; Medical Staff Chief of Pain Medicine to the Spectrum Health Hospital System | **Lello Tesema, MD**, Robert Wood Johnson Clinical Scholar, UCLA | **Rene Salazar, MD**, Associate Professor of Clinical Medicine and Director of Diversity, Division of General Internal Medicine, UCSF | **Diana Coffa, MD**, Assistant Professor, Family and Community Medicine, UCSF; Residency Program Director, SFGH UCSF Family and Community Medicine Residency

“ Absolutely SPECTACULAR conference. Very rich in basic biology, which will prepare us for future developments in this very dynamic and fast-moving specialty.”

— 2014 Conference Attendee

Pre-Conference Workshops

Afternoon Workshops

(1:30 to 5:00 pm or as specified)

Buprenorphine in Office-Based Treatment of Opioid Use Disorders (1:30 to 6:00 pm)

The ASAM Buprenorphine Course provides the required 8 hours needed to obtain the waiver to prescribe buprenorphine in office-based treatment of opioid use disorders. This course will be delivered in a blended format combining 4 hours online and 4 hours live learning. The online portion covers the essential knowledge content while the live portion will focus on the clinical application of the content covered online using case-based discussions. Registrants will be issued access to the online portion of the blended course through the ASAM e-Learning Center.

No Wrong Door: Treating Opioid-Dependent Patients Where You Meet Them

This interdisciplinary workshop will cover the management of patients with a history of opioid misuse and chronic pain. The panel will discuss approaches to these challenging patients in a variety of settings, including the primary care clinic, outpatient addiction/pain clinic, the inpatient medical unit, and in the emergency room. Participants can expect to learn about means of assessing these patients, collaborating with other specialties in providing care, and the integration of addiction treatments such as Buprenorphine into management. (Workshop Planners: Monika Koch, MD; Tauheed Taman, MD)

Monika Koch, MD, Medical Director, Chemical Dependency Recovery Program, Kaiser Permanente, Vallejo; President California Society of Addiction Medicine | **Karen Seal, MD**, Associate Professor, Medicine and Psychiatry, UCSF School of Medicine; Director, Integrated Care Clinic, San Francisco VA Medical Center | **Scott Steiger, MD**, Associate Professor of Clinical Medicine, UCSF School of Medicine | **Tauheed Zaman, MD**, Medical Director, Prescription Opioid Safety Team, San Francisco VA Medical Center, UCSF

Motivational Interviewing for Busy Clinicians

This workshop will review and teach motivational interviewing (MI) tools for treating unhealthy alcohol and drug use as well as for promoting behavior change in primary care and other specialties. Emphasis will be on mentored small group learning, clinical skills acquisition and practice. All participants will develop continuing learning plans to increase proficiency.

Sean Koon, MD, Chemical Dependency Recovery Program, Kaiser Permanente, Fontana | **Ken Saffier, MD**, Family and Addiction Medicine Physician, Contra Costa Regional Medical Center; Clinical Professor, Department of Family and Community Medicine, UCSF; Member, Motivational Interviewing Network of Trainers

Conference Schedule

THURSDAY, AUGUST 25

Plenary

- 8:30 AM Welcome and Introduction**
Anna Lembke, MD, Conference Chair, Director, Stanford Addiction Medicine Program and Chief, Stanford Addiction Medicine Clinic, Stanford University School of Medicine
- 8:40 AM The View from Indiana: Fighting HIV Infection and Injection Drug Use**
Joan Duwve, MD, MPH, Chief Medical Officer, Indiana Department of Public Health
- 9:30 AM Sedative-Hypnotics**
Steven L. Batki, MD, Professor, Department of Psychiatry, UC San Francisco; Chief, Substance Abuse Programs, and Director, Addiction Research Program, VA Medical Center, San Francisco
- 10:35 AM Case Discussion**
- 11:10 AM Break with Exhibitors**
- 11:30 AM Pain and Addiction**
R. Corey Waller, MD, MS, FACEP, Medical Director of the Spectrum Health Medical Group Center for Integrative Medicine; Medical Staff Chief of Pain Medicine to the Spectrum Health Hospital System
- 12:20 PM Lunch — Regional Networking Lunch**
Grab a lunch and meet with colleagues from your locale.
- 1:30 PM Alcohol**
George Koob, PhD, Director, National Institute on Alcohol Abuse and Alcoholism
- 2:30 PM Cannabis**
Tauheed Zaman, MD, Medical Director, Prescription Opioid Safety Team, San Francisco VA Medical Center, UCSF
- 3:25 PM Case Discussion**
- 3:55 PM Break with Exhibitors**
- 4:15 PM Ethics and Confidentiality**
David Y Kan, MD, Private Practice of Psychiatry, Addiction Psychiatry and Forensic Psychiatry
- 5:00 PM Adolescents and Addiction**
Sharon Levy, MD, MPH, Medical Director, Adolescent Substance Abuse Program, Boston Children's Hospital; Assistant Professor of Pediatrics, Harvard Medical School
- 5:50 PM Adjourn for the Day**

7:30 PM Dessert Reception

Sam Quinones, Author of Dreamland: The True Tale of America's Opiate Epidemic

"With prose direct yet empathic, he interweaves the stories of Mexican entrepreneurs, narcotics agents, and small-town folks whose lives were upended by the deluge of drugs, leaving them shaking their heads, wondering how they could possibly have resisted." — Mother Jones

Presentation of the Vernelle Fox and Community Service Awards

Conference Schedule

FRIDAY, AUGUST 26

7:00 AM Update on Addiction Medicine Board Certification
Kevin Kunz, MD, MPH, Executive Vice President, The American Board of Addiction Medicine

Plenary

8:30 AM Neurobiology of Addiction
George Koob, PhD, Director, National Institute on Alcohol Abuse and Alcoholism

9:20 AM President's Message
Monika Koch, MD, President, California Society of Addiction Medicine

9:30 AM Stimulants
Larissa Mooney, MD, Assistant Clinical Professor of Psychiatry, UCLA

10:30 AM Case Discussion

11:00 AM Break with Exhibitors

11:20 AM Nicotine
Smita Das, MD, PhD, MPH, Clinical Instructor, Psychiatry and Behavioral Sciences, Stanford University School of Medicine

12:20 PM Lunch

12:30 PM CSAM Annual Business Meeting (non-members welcome)

1:30 PM Co-occurring Disorders
Steven Eickelberg, MD, FASAM, FAPA, Medical Director, Betty Ford Center; President, MERF

2:20 PM Behavioral Treatments
Sharone Abramowitz, MD, FASAM, Director, Behavioral and Addiction Medicine, Internal Medicine Residency, Alameda Health System; Private Practice, Integrative Psychiatry and Addiction Medicine, East Bay and San Francisco

3:10 PM Case Discussion

3:40 PM Break with Exhibitors

4:00 PM Behavioral Addictions
Larry Ashley, EdS, LPC, Curriculum Project Manager, Department of Counseling and Special Education, Central Michigan University

4:50 PM Dialogue: Is Addiction a Brain Disease?
Kent Dunnington, PhD, Associate Professor of Philosophy, Biola University; author, *Addiction and Virtue: Beyond the Models of Disease and Choice* | George Koob, PhD, Director, National Institute on Alcohol Abuse and Alcoholism | Anna Lembke, MD, Director, Stanford Addiction Medicine Program and Chief, Stanford Addiction Medicine Clinic, Stanford University School of Medicine; Conference Chair

5:40 PM Adjourn for the day

6:00 PM – 8:00 PM Conference Dinner
(included with registration, guests \$50)
Unwind and have fun with your colleagues at an al fresco dinner in the beautiful Grand Plaza at the Anaheim Convention Center. Enjoy a break from your study surrounded by palm trees alongside the "mountain fountain leading to a river of lights."

8:00 PM – 9:00 PM Open 12-Step Meeting
Non-participants are invited to observe.

SATURDAY, AUGUST 27

7:00 AM Update from CPPPH on a Physicians' Health Program for California

Plenary

8:30 AM Addiction in Pregnancy
Mishka Terplan, MD, MPH, Medical Director, Behavioral Health System, Baltimore

9:20 AM 'E' to 'Bath Salts': Synthetic Psychostimulants and Hallucinogens
Silas Wheelock Smith, MD, Assistant Professor and Section Chief Quality, Safety, and Practice Innovation Associate Director, Fellowship in Medical Toxicology, NYU School of Medicine; Ronald O. Perelman Department of Emergency Medicine; New York City Poison Control Center

10:25 AM Case Discussion

10:55 AM Break

11:10 AM Opioid Addiction and Treatment
Judith A. Martin, MD, FASAM, Medical Director of Substance Abuse Services, Department of Public Health, City & County of San Francisco

12:05 PM Emergency Department Presentations of Substance Use
Craig Smollin, MD, Associate Clinical Professor of Emergency Medicine, UCSF School of Medicine

1:00 MP Adjourn

“The CSAM conference is so high quality and universally applicable that almost anyone will benefit from attending.”

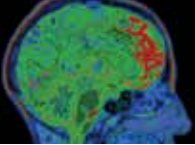

— 2014 Conference Attendee

“This has been the most informative and applicable conference I've been to for my pain practice.”

— 2014 Conference Attendee
